## OBJECTIVE

---

Motivated and reliable student with a strong foundation in UX design from Purdue University, seeking a summer 2025 internship in design or research. Eager to contribute to meaningful projects, enhance my skills, and gain hands-on experience in a dynamic professional environment. Dedicated to learning and applying new concepts, and excited to collaborate and grow within a team.

## WORK EXPERIENCE

---

### KEY LIME INTERACTIVE Purdue Experience Studio IV | Fall 2024

- Performed initial research, interviews, and literature review
- Facilitated sponsor meetings and co-design workshop
- Constructed whiteboard sketches, paper sketches, and final mid-fidelity design

### DIGITAL CIVICS EXCHANGE Northumbria University, UK | May 2024

- Worked closely with sponsors to synthesize interview findings
- Brainstormed ideas for a provocative prototype (provotype)
- Created provotype and presented project findings

### DEFI DESIGN Purdue Experience Studio III | Spring 2024

- Conducted competitive analysis
- Completed initial research necessary to define project scope and develop next steps

### DOLBY LABS Purdue Experience Studio II | Fall 2023

- Conducted user research
- Completed research report and next steps
- Created research-based sketches
- Participated in weekly progress meetings with sponsor
- Presented research findings to sponsor

### SOCIAN TECHNOLOGIES Purdue Experience Studio I | Spring 2023

- Researched assigned field (police drones)
- Interviewed user groups (first responders/911 operators)
- Created sketches and wireframes
- Produced UI prototypes in Figma
- Prepared research report for work handoff to sponsor

### PEGBBOARD MODERN Munster, IN | May 2021 - August 2024

#### Support Staff

- Assisted in inventory acquisition, transportation, and photography of vintage furniture and objects for resale
